## **Feedback Seminars**

## "Human impacts on Urban Subsurface Environment"

#### **Objectives**

The objectives of the seminar are to share the findings in our research and to receive feedback from and exchange information with experts in relevant agencies and research institutes in the Philippines, Indonesia and Thailand. This seminar is also an opportunity to discuss future collaboration for research and policy advocacy on issues on the subsurface environment.

#### First feedback seminar

Date: November 3, 2010

Venue: Conference Room, Marine Science Institute (MSI), University of the Philippines,

Diliman, Quezon City, Philippines

Second feedback seminar

Date: January 6, 2011 (tentative)

Venue: Indonesian Institute of Sciences (LIPI), Jakarta, Indonesia (tentative)

Third feedback seminar

Date: February 24-25, 2011 (tentative)

Venue: Chulalongkorn University, Bangkok, Thailand (tentative)
