# Items

- Share the view of our “goal setting”
- Let them know about FE
- How can we show them “Win-Win”
- Where we are?
- Next Spep

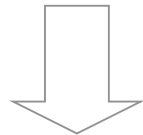

- Share the view of our “goal setting”

The Strategy should address the **whole funding Pyramid**<sup>3</sup>

# Let them know about FE

- “Future Earth” is not famous.

- \*Message from the Top
- \*Grass root deliverly
- \*Multi stakeholders meeting

## How can we show them “Win-Win”

- \*Politicians
- \*Ministries
- \*Funding Agencies
- \*Related Organization
- \*Press
- \*Public

# Where we are?

- **Existing programs**

in line with “Future Earth” spirits

(Exp.)

- **\*SATREPS (JST)**

(S & T Research Partnership for Sustainable Development)

- JST / JICA Collaborarion

- research fund (JST) & ODA (Technocal Cooperation) (JICA)

- **\*RECCA (MEXT)**

(Research Program on Climate Change Adaptation)

- Funds for R&D for regional (prefectures or cities) adaptation

It is not a start from zero

# Next Step

- **Workshops / symposium with academic, users, stakeholders to know “Future Earth”**

(exp.)

- \* “Future Earth” will be discussed SATREPS Symposium Feb. 28 hosted by JAMSTEC

- \* Let's go to Germany

- **Clear Message**

- \* from academy

- \* from Funding Agencies

- \* from Policy Makers

- **Linkage with GEO / GEOSS**

- \* FE is stakeholder for GEOSS

- \*GEOSS is stakeholder for FE
