The International Symposium by Ecohistory Program of Research Institute for Humanity and Nature, Kyoto, Japan

Rethinking the Impacts of Climate Change in the Past

気候変動説再考-文明環境史の視点から

P r o g r a m

20, August (Fri)

13:00 - 13:10 Greeting Narifumi TACHIMOTO

13:10 - 13:55 **Lauren RISTVET** "The Mesopotamian Response to Climate Change: Collapse as Adaptation"

13:55 - 14:40 **Steven A. WEBER** "Diet and Climatic Shifts: Their Interrelationship During the Indus Civilization"

14:40 - 15:25 **Marco MADELLA** "The Importance of Small Scale Approach to Understand Environmental Change, Landscape and Resource Exploitation: The Example of Holocene North Gujarat (India)"

Coffee Break (15minutes)

15:40 - 16:25 **Anil K. POKHARIA** "Changing Agricultural Strategies in Relation To social and Environmental Changes at Harappan Kanmer, Kachchh, Gujarat"

16:25 - 17:10 **Peter JORDAN** "Investigating the Interplay between Climate Change and Culture-history among Hunter-gatherer Societies at the Pleistocene/Holocene Transition in Northern Eurasia"

21, August (Sat)

9:30 - 10:15 **Takeshi NAKATSUKA** "Challenge of High-Resolution Paleoclimatology: its Potential Impacts for Understanding of Relationships between Climate and Societies"

10:15 - 11:00 **Junko HABU** "Climate Change, Subsistence Intensification, and Human Impacts on the Jomon Landscape"

11:00 - 11:45 **Hiroto TAKAMIYA** "Environment and Socio-Cultural Changes in the Prehistory of Okinawa"

Lunch (1 hour 15minutes)

13:00 - 14:30 Discussion

Profile of participants

Lauren RISTVET (Assistant Professor, University of Pennsylvania)

Steven A. WEBER (Visiting Research Fellow, Research Institute for Humanity and Nature / Associate Professor, Washington State University)

Marco MADELLA (Visiting Research Fellow, Research Institute for Humanity and Nature / ICREA Research Professor, Institució Catalana de Recerca i Estudis Avançats)

Anil K. POKHARIA (Visiting Research Fellow, Research Institute for Humanity and Nature / Scientist-Archaeobotany Division, Birbal Sahni Institute of Palaeobotany)

Peter JORDAN (Visiting Research Fellow, Research Institute for Humanity and Nature / Senior Lecturer, University of Aberdeen)

Takeshi NAKATSUKA (Professor, Nagoya University)

Junko HABU (Visiting Research Fellow, Research Institute for Humanity and Nature / Associate Professor, University of California, Berkeley)

Hiroto TAKAMIYA (Professor, Sapporo University, Professor)
