

The 3rd Workshop on "Food Life History of the North"

(As of September 16, 2022)

Organized as a part of
“Food Life History of Cold Storage of the North using natural freezing energy
–History, Transformation, and Future Vision of Food Preservation Under the Influence of Global Shift–”
(Feasibility Study at Research Institute for Humanity and Nature)
AND
“Changes in Traditional Underground Food Storage Practices: Exploring Food Life History in Beringian
Communities”
(National Science Foundation, Grant Number 2133706 USA)

Date: Sep. 30 (Fri) and Oct. 1 (Sat) JST 8:00-14:00 [Sep. 29 (Thu) – 30 (Fri) AKDT 15:00-21:00]

[Time in square bracket in Alaska Daylight-saving Time (AKDT)]

Venue: Hybrid (Lecture Hall at RIHN, and online by Zoom)

Registration Link: <https://forms.gle/QSAQdhmHYtXbRFst5>

<**Day 1**> Sep. 30 Fri 8:00–14:00 [AKDT Sep. 29 (Thu) 15:00–21:00]

8:00-8:15 [AKDT Sep. 29 (Thu) 15:00-15:15]: Opening Session

1. Project Overview, Kazuyuki Saito (JAMSTEC) [5 min]
2. Welcoming Remark, TBD (Fukiko Goukon: Ainu, Mukkuri/month harp) [10 min]

8:15-11:15 [AKDT Sep. 29 (Thu) 15:15-18:15]: **Panel Discussion**

“Food Life History”: from Global to Local perspectives

Moderator: Yu Hirasawa (Archaeology)

Panelist: Yoko Kugo (Cultural Anthropology), Michael Koskey (Cultural Anthropology),
Theresa John (Indigenous Studies), Shirow Tatsuzawa (Ecology),
Go Iwahana (Geocryology), Kazuyuki Saito (Climatology)

- I. FLH from core members "disciplines" + Q&A + Summary (45 min)
(i.e., From perspective of Environmental Sci/Anthropology/Archaeology/Ecology/ [History/Social
Science/Politics])

(15-min break)

Moderator: Yoko Kugo

- II. Potential for/Cases/perspectives from different regions/locals (2 hours)
(20-min incl. short Q&A, 40-min Discussion)
 - Kimiko Naraki (Ainu culture and Eco-tourism guide):
 - Richard Stoffle (U of Arizona): Title: “Returning to Gather: Cherokee Medicine Keepers, the National Park Service, and the Making of a Plant Gathering Agreement at Buffalo National River”
 - Judy Ramos (U of Alaska Southeast): Title “Tlingit Sustainable Wild Food Harvesting and Conservation Practices”
 - Tuyara Gabrieva (NEFU): Food/dietary life and its history in Sakha

12:00-13:50 (AKDT 19:00-20:50): **Session #1** “Tangible aspect of FLH” (tentative) (Chair: Shirow Tatsuzawa, Go Iwahana)

- Jambaljav Yamkhin (Ice cellars/cache in Mongolia)
- Mori Taro (TBD. Effective architecture of ice cellars/ Hokudai)
- Yuri Zhegusov (Yakutia inland ice cellar/cache situations)
- Go Iwahana (ice cellars physical survey at Alaska, (e.g. Gambell/Savoonga)
- Kazuyuki Saito, Go Iwahana (Himuro/snow-house survey in Kanazawa and Kaga, Japan)

13:50-14:00 [AKDT 20:50-21:00] **Wrap-up discussion** for the first day sessions

<Day2> JST October 1 Sat 8:00–13:00 [AKDT Sep. 30 (Fri) 15:00–20:00]

8:00-8:10 [AKDT Sep. 29 (Thu) 15:00-15:15]: Opening Session

1. Opening Remark, Steve Oomittuk (Point Hope)
2. Summary of Day1: Kazuyuki Saito (JAMSTEC)

8:10-11:00 [AKDT Sep. 30 (Fri) 15:10-18:00] **Session #2** “Intangible aspect of FLH” (tentative) (Chair: Yoko Kugo, Michael Koskey)

(20-min incl. short Q&A, 40-min Discussion)

- Steve Oomittuk (Point Hope)
- Michelle Ravenmoon (Iliamna lake Food lifeway)
- Myrdene Anderson (researcher with Saami people (since 1970s)/professor/anthropologist)
- Naotaka Hayashi (U of Calgary): Greenland subsistence
- Vera Lincoln (Anaktuvuk Pass)
- Anna?
- Mariko Kanamori (Kyoto U)
- ...

(20 mins break)

11:20-12:50 [AKDT 18:20-19:50] **Plenary discussion** (Chair: Kazuyuki Saito)

“What is Food Life History, and next steps?”

12:50-13:00 [AKDT 19:50-20:00] Workshop closing

1. Comments from Research Institute for Humanity and Nature
2. Closing Remark, Kazuyuki Saito
