

EREC Comments on Ongoing Research Projects
except for those subject to Mid-term or Final Evaluation

Project Year	FR2	
Project Title	Fair for Whom? Politics, power and precarity in transformations of tropical forest-agriculture frontiers	
Abbreviated Title	FairFrontiers	
Project Leader	Grace Wong	
Project Period	4 years Full Research	
Affiliated Program	Combining Knowledge for a Fundamental Innovation of Land Use Program, SHOBAYASHI PD	

General advice and comments of the EREC

The project is a good example of research on the coupling humanity and nature, co-creating with communities, and creating linkages to global issues. The project results are highly expected to be applicable in broader contexts.

A clearer synthesis on the question of how communities view fairness and equity will be helpful, acknowledging the limitations in documenting these. Looking further, more quantitative data on ecosystems would be complementary to the qualitative assessment of ecosystem services.
