

## Comment Sheet 【FR2】

February 27, 2014

<b>Title of the Project</b>	<b>Creation and Sustainable Governance of New Commons through Formation of Integrated Local Environmental Knowledge</b>		
<b>Research Term</b>	<b>FR2</b>	<b>Project Leader</b>	<b>SATO Tetsu</b>
<b>General advice and comments of the PEC:</b> <ol style="list-style-type: none"><li>1. The PEC was generally very positive about this project.</li><li>2. The conceptual side of the project is highly appreciated, but there is a need to show concrete, practical applications.</li><li>3. By the nature of ILEK, the focus is on local communities, but what is the potential for crossing scales? How can you account for the embeddedness of communities in wider markets and governance processes?</li></ol>
