

Employer / Division	Research Institute for Humanity and Nature Research Division FEAST Project Project Researcher 【Contracted Employee】
Recruitment (persons)	1 person
Workplace	Research Institute for Humanity and Nature (Address : Kyoto City, Kita-ku, Kamigamo, Motoyama 457-4)
Job Description	The FEAST Project (Lifeworlds of Sustainable Food Consumption and Production: Agrifood Systems in Transition) is an interdisciplinary project that takes a bottom-up, action research approach to understand and catalyze sustainable agrifood transition through the creation of new communities of social practice and collective action at locations in developed and emerging Asian countries. As part of Working Group #2 (Ethics and Consumption Practices), the Project Research will work closely with stakeholder groups at sites within Japan (Kyoto, Nagano, Akita) to organize and coordinate a series of participatory workshops for the general public and selected stakeholders on the ethical consumption and production of food and possible future practices. The researcher will use various monitoring methodologies to collect data on participants' food-related habits, practices, and thinking to gauge changes over time, as well as assist in the organization of Food Policy Councils at the three sites.
Requirements for Employment	1) PhD in relevant field. Interest in global environmental studies, sustainable food consumption and agricultural production, and social system change research. 2) Experience and research record in environmental social science or science communication. Special consideration for those with experience working with public and private stakeholder groups or the food industry. Special consideration for those with experience with international collaborative research projects related to global environmental problems. 3) Working visa that allows for full time employment in Japan. All nationalities may apply. 4) Able to thrive in diverse language environment, speak and write in Japanese. Ability to converse, make presentations, write academic papers, and collaborate with overseas colleagues in English is a must.
Period of Employment	April 1st, 2016 to March 31st, 2017 (Contract renewable annually for up to five years until March 31st, 2021)
Working Conditions Days, Hours	Workdays (Monday through Friday) (Saturdays, Sundays, National Holidays and End of the Year Period off) 8:30 - 17:00 (Lunch break: 12:15 - 13:00)
Salary	Daily Wage 15,000 JPY
Benefits	Based on provisional criterion stipulated by National Institutes for the Humanities: commuting allowance, rent allowance, overtime pay, bonus allowance
Insurance	Health insurance, welfare annuity insurance, unemployment insurance
Application process Require documents	1) Curriculum vitae (style discretionary, photo attached) 2) Research achievement list (Please include the names of additional authors on co-authored work; include work with practitioners, style discretionary) 3) Samples of research publications, manuscripts (Please include up to three pieces representative of your overall achievements; copies are acceptable) 4) Statement on past research and work experience (Please refer to the job description and employment requirements and explain why you are best suited for the job; summarize within two pages, style discretionary, write in English or Japanese) 5) Statement on your job aspirations (Please detail what you hope to achieve and your strategy to do so, summarize within a single page, style discretionary, write in English or Japanese) 6) Contact information for two references (phone, e-mail address) ※ Please note that all submitted documents will only be seen by the selection committee.
Submission deadline	January 15, 2016 (Friday)
Selection Process	All submissions will be reviewed by a selection committee. Applicants that pass the review will be asked to interview. Interviews are tentatively scheduled for the first week of February (1st to 5th), 2016. Please be aware that travel costs to and from the interview will not be covered.
